

Kitting, Assembly, & Packaging Solutions

We provide customized kitting, assembly, and special packaging solutions that save time, cut costs, and ensure accuracy for your projects.

September 2025

Advantages

Simplified Ordering

Order a single kit instead of ordering multiple component parts.

Availability

Skip inventory outages by having the parts when you need them.

Reduce Waste

Eliminate excess materials and save money by stocking only what you need.

Improved Efficiency

Save time by having the parts in one convenient location.

Limited Time Offer

Act fast—get \$100 off your kitting, assembly, or special packaging project when booked in September.

SAVE \$100

Use code **KIT100** on a **new** kitting, assembly, or packaging job for \$100 off. *\$200 order min
